

SENIOR CHAPTER CONDUCTING PROBLEMS
Area FFA Leadership Development Events #3
2023

I.

1. The motion to construct a new welcome sign in front of the school is presented.
2. The motion is debated before a motion to refer is moved and seconded.
3. A member rises to a point of order since the sentinel's motion did not specify the committee.
4. The motion is referred to a committee, and the chapter consents to the president naming the committee after the meeting adjourns.

II.

1. The president states a new parliamentarian needs to be elected, then opens nominations.
2. Kim Myers and Scott Darby are nominated before nominations are closed.
3. The candidates are discussed before a motion to reopen nominations is seconded.
4. Scott Darby is elected.

III.

1. The sentinel informs the president that he/she is wanted in the advisor's office.
2. A motion to purchase a new desk for the advisor is discussed.
3. A member gains parliamentary information prior to moving to suspend the standing rules against using FFA funds to purchase furniture.
4. The motion to suspend is failed after a member questions the accuracy of the vote.

IV.

1. The president returns and provides information to the chapter.
2. Take the appropriate action to give the committee in Problem I the power to act.
3. The secretary moves to bring back the motion to suspend in Problem III.
